IN RE:

BUSY BODY, INC.,

Debtor.

§  
§  
§  
§  
§

Case No. 01-35016-H4-11  
(Chapter 11)

Michael N. Milby, Clerk of Court

**ORDER EXTENDING PERIOD DURING WHICH UTILITY COMPANIES  
MAY NOT ALTER, REFUSE, OR DISCONTINUE SERVICES TO DEBTOR**

The Court has considered the Debtor's *Ex Parte* Motion for Order Extending Period During Which Utility Companies May Not Alter, Refuse, or Discontinue Services to Debtor (the "Motion"). The relief requested by the Motion is necessary and in the best interest of the Debtor's estate. No notice of the Motion is required under circumstances because the utility companies will be protected by receiving a copy of this order and an opportunity within ten (10) days to move for a reduction of the extended period granted. It is therefore **ORDERED**:

That the duration of the period provided under 11 U.S.C. § 366(b) within which utility companies, including but not limited to those set forth on attached Exhibit "A" (the "Utilities"), may not alter, refuse, or discontinue utility services to the Debtor is extended to and including (a) the date on which this Court enters an order approving the pending Motion for Order Approving Debtor's Method of Furnishing Adequate Assurance of Payment for Post Petition Utility Services (the "Adequate Assurance Motion"), or (b) if this Court determines that it will deny the relief requested in the Adequate Assurance Motion, the date that is sixty (60) days after the date on which the order denying such relief is docketed (the "Extended Period").

That the Utilities are prohibited from altering, refusing, or discontinuing utility services to the Debtor during the Extended Period, provided that payments for post-petition services are made promptly when due and owing.

That the Debtor shall serve a copy of this order upon the Utilities, as soon as practicable after entry hereof, by United States first class mail, postage prepaid, and shall evidence such service by filing with the Court a certificate of service setting forth the date and manner of service, and the names and address of the Utilities served.

12

That the entry hereof shall be without prejudice to the right of any of the Utilities to move, within ten (10) days of the date of service of a copy of this order, with notice to the Debtor, for a reduction of the Extended Period.

Signed this 3rd day of May, 2001.
